Cruelty Free and Non-Toxic. All Ingredients are From the USA
and Manufactured in the USA.**

Clear Top Coat: Our super shiny top coat is slightly tinted to reflect more light and keep polish from yellowing.

Holographic Top Coat: Transform your manicure into a prism of light! This high-quality special effect top coat doubles your range of colors with just one swipe.

“Perfect Prime” Base Coat: Set the foundation for long-lasting manicures with our rich, priming base coat. Special ingredients help smooth the surface of nails so the enamel flows evenly over the nail plate and adheres longer.

“Make it POP” Base Coat: Make your nails a white canvas to make your neons and bright colors POP! Protect and POP in one stroke, with our priming base coat and white pigmented base all in one!
